

CLARITY

FOR CHRISTIAN SCHOOLS

At Clarity for Christian Schools, we're passionate about investing in people to become everything they're meant to be.

Before founding Clarity, Jonno White was youth pastor at one of Australia's largest churches, Gateway Baptist Church in Brisbane. After inheriting a team of 30 volunteers, Jonno realised he didn't know how to get his team rowing in the same direction or how to build a healthy youth ministry.

Then he came across Patrick Lencioni's book, The Five Dysfunctions of a Team. After reading it in one night, Jonno started implementing Lencioni's frameworks through youth ministry. In the next couple of years his team nearly doubled and, more importantly, he was able to build a healthy youth ministry.

Jonno's passion to fill the world with healthy Christian schools that build the Church led him to start Clarity. Since then, we've had the honour of presenting at Christian Schools Australia's National Conference, Northern Territory Christian School's Annual Conference and Queensland's Associated Christian Schools Administration Day.

We love supporting board members, principals and leadership team members of Christian schools. We understand you don't know us yet, so if you're interested in working together we're offering a free one-hour leadership coaching session so we can get to know each other and you can get a feel for whether we're the right people to help you in this season.

Call now for a free one-hour leadership coaching session.

WHAT IS CLARITY?

Clarity is a Christian schools consultancy based on Patrick Lencioni's frameworks of organisational health.

We help boards, principals and leadership teams to build healthy Christian schools by providing leadership coaching, conference keynotes and training workshops.

We also facilitate board and leadership team retreats to create, communicate and implement clarity in Christian schools.

CLARITY CAN:

- Coach Christian school principals in healthy leadership
- Present keynotes and workshops at Christian school conferences
- Facilitate Christian school board and leadership team retreats
- Coach Christian school board members and leadership team members
- Build functional Christian school boards and leadership teams
- Advise Christian school boards and leadership teams on hiring
- Run effective Christian school board and leadership team meetings
- Conduct training for Christian school employees and volunteers.
